Please click on the drop-down box under Type of Collection and select as many collections as are applicable. After each collection type, indicate a total value for that collection and click "Add". If you don't see your client's collection type, scroll to the bottom and choose "All other". Clicking the "Edit" button will delete the last entered collection. When you are finished listing all the collections in your client's household, click Next.

Type of Collection	Value of Collection	Edit	Add
Select	<input type="text"/>	<input type="button" value="Edit"/>	<input type="button" value="Add"/>

Total Unscheduled Value:
Premium + Taxes:

A blue arrow points to the "Add" button in the table.

Once finished listing each, click "Next."
