COVERAGE - This is a comprehensive program covering the insured's collection and qualified items which the insured adds to the collection during the policy year (must be reported to American Collectors within 30 days of purchase). Coverage will begin when the application is received and approved by American Collectors. All premiums are annual. American Collectors reserves the right to request an inventory and/or appraisal of the insured's collection. In the event of a loss, the insured is responsible for producing an accurate record of damaged and undamaged articles and proof of ownership. Coverage for coins, paper collectibles (including postage stamps) and post WWII guns is not available in all states. Coverage is not currently available for furniture, watches, jewelry, furs, or fine art.

Fraud Statement: Any person who includes any false or misleading information on an application for an insurance policy is subject to criminal and civil penalties.

By clicking "Accept", the applicant attests to his/her understanding of the foregoing.

Subject: Your Client, Suzy S. Babydoll (Coverage Bound for 20 days effective 12/09/2011) Binder #6007637 AmclTest

Dear EXAMPLE AGENCY:

Thank you for choosing American Collectors Insurance to protect your client's collection(s).

Coverage has been bound effective 12:01 am on **12/09/2011**; the annual premium is **\$75.68**. A welcome package will be mailed to your client shortly. Contained in the package will be a "Signature Page" that your client must read, sign and return within 20 days. A policy is also being prepared and will be sent to your client following the welcome package.

Please note that we require a photograph & detailed description of any item in the collection **valued over \$2000** (must be received by American Collectors within 20 days).

If your client stores certain collectible items in a bank vault and/or safety deposit box, those items are eligible for a 25% "in-vault" discount. To apply for the discount, documented proof (bank statement or receipt) is required. Once we receive the documentation, the discount will be applied.

The collectibles policy provides coverage for fire, windstorm, and theft, as well as for perils typically not covered by Homeowner's insurance, such as earthquake, flood and accidental breakage. All qualifying collections in your client's household may be covered by one policy. Claims are paid on an Agreed Value* basis, less any applicable deductible, so that the **full-insured value** of your client's collection is protected.
